EDUCATION

Bachelor of Technology in Computer Science, *GLA University, Mathura, 7.65* June 2027

Intermediate, KMPS, Mathura, *74.4%* May 2023

High School, KMPS, Mathura, *86.2%* May 2021

INTERNSHIP/ TRAINING EXPERIENCE

XANSR MEDIA, Gurgaon May 2025 – Present
Data Science Intern

- Built a custom evaluation framework that automatically analyzed model outputs, identified failure cases and highlighted patterns in incorrect predictions
- Worked with Azure Boards and participated in daily stand-ups, gaining practical exposure to agile industry workflows.

Job Oriented Value-Added Course, GLA University, Mathura June 2025 – July 2025
Developer

- Core Development - Built an end-to-end RAG chatbot using vector embeddings, a retrieval pipeline, and an LLM, enabling accurate and context-aware responses from large documents.
- Used Ollama to run and optimize LLMs locally, ensuring secure, fast, and offline inference for the RAG chatbot.

PROJECTS

TRAFFIC FLOW OPTIMIZATION SYSTEM Oct 2025 – Dec 2025

- Developed an AI-based traffic signal optimization system using YOLOv8 for real-time vehicle detection and dynamic signal timing.

MEDICAL IMAGE DIAGNOSIS Feb 2025 – May 2025

- Developed a CNN-based medical image diagnosis system for automated disease classification from medical scans.

SKILLS

Technical	Professional
Python,Java,Data Structure and Algorithm	Effective Communication Skills
HTML,CSS,JavaScript	Adaptability & Quick Learning
AI/ML, Database Management System,SQL	Leadership
Git/Github	Team Collaboration
Linux/Unix	Detail-oriented and responsible
Azure Devops	Agile Methodologies

PROFESSIONAL ACHIEVEMENTS/ INSIGHTS

- Python for Data Science, AI & Development (Coursera)
- Supervised Machine Learning: Regression & Classification (Coursera)
- Intel AI Algorithm Development with Python (Intel)

CO-CURRICULAR ACTIVITIES

- Participated in HR Summit at GLA University and gained exposure to industry expectations and workplace communication.
- Core Team Member, Deviathon Hackathon – GLA University; contributed to event planning, coordination, and execution.
- Participated in Technavya 2025 at GLA University, engaging in technical events and competitions.

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
